

SONARISA

A Benchmark for today

A Legacy for tomorrow

www.sonarisa.com

About Us

Sonarisa offers multiple IT service and solutions each targeting the needs and preferences of different clients. With dedication and firm commitment, we aspire to embrace the future and build a better tomorrow for our clients. We have a passion for excellence and a never failing commitment towards our clients. We are committed to deliver outstanding environment of dependability, accountability, excellence blended with continuous refinement and invention.

By combining processes, methodologies, and insights with technical expertise, we deliver not just the solutions, but also satisfaction and comfort level to your business. We provide complete solution for product engineering; consultancy, planning, design, development, testing, and maintenance.

People and Quality

Sonarisa, with its ethos of quality, would like to set the benchmark for the rest of the world.

Sonarisa's track record for value delivery is supported by our professionals who provide a unique blend of culture, unrivalled domain expertise and in-depth technology skillsets.
